Alan O. Trounson, PhD
President, California Institute for Regenerative Medicine
San Francisco, CA

Thursday, May 8th, 2008
5:15pm – 6:30pm

Garren Auditorium
1st Floor Basic Science Building
School of Medicine

*Light reception to follow
Center for Molecular Genetics Lounge*

Parking is available. Take Gilman Drive North off La Jolla Village Drive. Make a right hand turn at the first street past the Visitors Booth onto Osler Lane. Directional signs will be visible leading to Osler Lane, the parking area and to the Garren Auditorium.

A parking attendant on Osler Lane will provide a free parking permit.

For more detailed directions use 9500 Gilman Drive La Jolla CA 92093 as the end address. This address takes you directly to the Visitors Booth and from there posted signs for the Benirschke Lecture will be visible. Use the following link for directions or use your favorite driving directions website.
